

Thank you for downloading my product. That means you like it as much as I do! I love making things and sharing them with you. Some for free, and some for a reasonable price. Because I put a lot of time and effort in it, I'd like you to read the following rules, to make sure my hard work gets the credit it deserves.

- All designs are copyright Little Lovely Crafts. You have permission to use my products, as long as you adhere to the following terms.
- Everything that I put on my website is for personal or classroom use.
- It is allowed to use something as a gift, but it is not allowed to share your (purchased) downloads with anyone else. Please refer them to my website so they can purchase/download it themselves.
- You may not copy, reproduce, sell, modify and/or claim it as your own.
- Please leave the name Little Lovely Crafts on your printables.
- Ask permission if you would like to use one of my photos.
- If you want to tell others about my product on your website or blog, do so by using the link: [www.littlelovelycrafts.com](http://www.littlelovelycrafts.com), or by using a direct link to the product.
- When you download or purchase something, you agree with all the above.

Thank you and enjoy!

A vibrant watercolor illustration of tropical island vibes. The background is white, adorned with various green leaves and pink flowers. In the top left, there's a pink five-petaled flower. In the top right, a large, detailed monstera leaf with characteristic holes. On the left side, there are several palm fronds of different sizes. On the right side, another palm frond and a large pink hibiscus flower. At the bottom left, another pink hibiscus flower is shown. At the bottom center, there are some green buds and leaves. The text 'TROPICAL ISLAND VIBES' is written in a bold, black, rounded font, centered on the page.
